**Book Discussion - The Biggest Lie in the History of Christianity.**

"We all want to be happy and live life to the fullest, but the answer isn't found in the world's definition of happiness. Modern culture is constantly feeding us lies, and these lies affect you more than you know. The lies that affect you the most, however, are the ones you tell yourself. These lies steal your joy, sap your energy, and cause you to lose hope. They prevent you from discovering the kind of vibrant faith the first Christians experienced. But as Matthew Kelly shows, we've arrived at a crucial moment in history. People are disillusioned with what the world offers. The world is in desperate need of change, and no one is in a better position to effect that change than Christians. We have an incredible opportunity to dispel the lies and cut through the confusion and false promises around us. This book provides the practical tools necessary to help you regain your fervor and leave your mark on the world—and experience more happiness than you thought possible. We will begin discussing the first four chapters on Tuesday, January 15<sup>th</sup>, at 9:30am at our Marathon Church. Please plan on joining us as we support and encourage each other on our life journey
