**Mary: Handmaid of the Lord** by St. Teresa of Kolkata

St. Teresa of Kolkata is known throughout the world as a woman who was totally committed to the Gospel. In this inspiring talk, she shares her insights on the Blessed Virgin Mary as a model of womanhood and perfect discipleship. She shows us that we, too, can do the will of God by saying "yes" to the Lord in the big and little things in our lives; nothing is too insignificant. View on Formed.org.

### Intercessions for Life

May the life of every human person, from conception to natural death, be protected in our laws and cherished in our hearts; *We pray to the Lord:*

Celebrated annually, the **Season of Creation** is a time to renew our relationship with God our Creator and our relationship with all of creation through prayer, celebration, reflection, conversion, and action. The Season of Creation began on September 1 and ends on

October 4, the Feast of Saint Francis of Assisi. Pope Francis has invited all Catholics and people of good will to join in this annual celebration: "This is the season for letting our prayer life be inspired anew, to reflect on our lifestyles, to undertake prophetic acts for creation. It's a time to call for courageous decisions and direct our planet toward life, not." The theme for the 2020 Season of Creation is "Jubilee for the Earth." For more about this 2020 Season of Creation, visit [www.seasonofcreation.org](http://www.seasonofcreation.org). Here in our Diocese of Syracuse, we are helping to celebrate this year's Season of Creation by offering two free virtual lunch sessions, presented to which you are warmly invited to join. The first session, on "The Scripture and Spirituality of Laudato Si'," will be led Fr. Tim Taugher, pastor of St. Francis of

Assisi parish in Binghamton, from 12:00 noon until 1:00 PM on Tuesday, September 15. The second session titled, "The Science of Laudato Si': Threats to Our Common Home," will be led by Dr. Lawrence Tanner, Professor of Environmental Science Systems at Le Moyne College, from noon until 1:00 PM on Tuesday, September 22. Each session will begin with prayer, followed by a 30-minute-or-so presentation, and time for discussion. **To register for either or both Tuesday lunch sessions, please go to**

**[faithformationevents.weebly.com](http://faithformationevents.weebly.com) or contact Dave Babcock by phone at (315) 263- 9023 for more information.** Laudato Si (Praise Be / On Care for our Common Home) is the 2015 encyclical letter written by Pope Francis. God's Earth, our common home, is not simply a storehouse of resources for human consumption, rather it is filled with interconnections such as webs of life that profoundly affect each of us. Please consider praying, reflecting, joining our local Tuesday lunch sessions, and having discussions about God's Earth during this Season of Creation and beyond.

**New Ministries....A Hospitality Center - 2708 Lower Cincinnatus Rd., Cincinnatus - 607-846-4092 or 607-310-8559**

Join us in this Fall Season: Have ideas to share? Community concerns, especially as we see more and more reasons to connect to know our neighbors. Join us any Tuesday 10-11:30am as our staff meets to discern our focus on the needs before us.

Sept 14<sup>th</sup> we will continue our Life Challenges Program. (Monday at 2 pm.) This enables us to listen to topics of concern and connect with agencies that can help. Note our Life Challenges will again have the opportunity to have Les Roberts, our friend and epidemiologist, share his life's experiences. Because of "distance spacing", we request you call to attend.

➔ We have established a lending Library for PUZZLES AND LARGE PRINT BOOKS.

IF ANYONE HAS ANY OF THESE ITEMS TO CONTRIBUTE, NEW MINISTRIES WOULD BE GRATEFUL.

**A Family Perspective** - The key word in today's gospel is "listen." We cannot change another person; not alone, not with others and not with a whole Church. All we can do is state our position and "if he listens to you" then he/she can take the steps necessary to change themselves. Change comes from within.

Labor Day we celebrate our ability to respond to the challenge of Genesis. Our labor an opportunity to enter into partnership with The Creator, unfolding the possibilities within ourselves and within our world through the creative skills planted with us.
