Prayer for the Family

O God, who was pleased to give us the shining example of the Holy Family, graciously grant that we may imitate them
Listening allows the other person in practicing the virtues of family life.
Transform our doubt to faith;
Strengthen our hope;
Help us to live in charity.
Until we are all one in your kingdom through Jesus Christ, your Son, in the unity of the Holy Spirit,
One God, for ever and ever.

Family Perspective - In today's gospel, "The apostles gathered around and told Jesus all they had done." to express, understand and appreciate their experiences. Whether it is the excited chatter of a young child or the repetitious stories of an aging grandparent, listening is important. It is not just time well spent, it is sacred time.
