Fantastic! What a great parish event last Sunday!!! Parishioners from all three locations were able to share prayer, food and conversation under the tents on a beautiful sunny day! Sincere thanks to Brittney Penrose for chairing this year's picnic and to Kathy Bensley and Peg Orzel for assisting her. Many hands made for a great day: Hats off to those who set up tents, tables and chairs, the liturgical ministers for their participation, the young teens for running the children's games and to the families who made quick work of taking things down at the end. **BIG THANKS** to the Tyrell's from **FAT JACK'S BBQ (234 Tompkins St)** for grilling on such a hot day! Start thinking of next year's events and any additions you would like!

Come and Visit with Jesus—Did you know that every Thursday evening, for one hour, you can come and spend some time with Jesus? Eucharistic Adoration is just that; a chance to be within His presence and talk to him one on one. Come for a short amount of time or stay for all of it. This Thursday, Aug. 16th, is at our Whitney Point Church at 7:00pm.

Family Perspective - "Stop murmuring," Jesus told the disciples in today's gospel. Complaining is a dead-end and constant complaining is nagging. We might feel better but others feel bitter. Silence or grumbling will not resolve the problem. Address differences honestly and respectfully. Do not make them personal attacks.

Pope Francis' August 2018 Prayer Intention - During the Year of the Family in our diocese, please join Pope Francis in prayer during the month of August for the treasure of families:

No family is perfect. Love is demanding, although there is no greater happiness.

There are many ways to approach the ideal of a Christian family (see "The Joy of Love" 32-57.) but what all of them have in common is respect for others and lasting love, values that make them a treasure that must be protected. "When speaking of families, often the image of a treasure comes to my mind. Today's rhythm of life, stress, pressure at work, and also the little attention paid by institutions, could put them in danger. It's not enough to talk about their importance: it's necessary to promote concrete means and to develop their role in society with a good family policy. Together, let us ask Jesus that any far-reaching decisions of economists and politicians may protect the family as one of the treasures of humanity."
