Intercessions for Life - Third Sunday of Easter

For all women considering abortion:
May God assure them of His saving power,
fill their hearts with peace,
and lead them on the path of life;
We pray to the Lord.

A Family Perspective - In today's gospel the disciples were returning home so "downcast" they did not recognize Jesus walking with them.

In our homes we can be so overwhelmed with responsibilities we don't see God with us. Today's gospel tells us to stop and open our eyes to the blessings we are to one another.

"From the first moments of existence, you had all the DNA that would determine your sex, facial features, physique, and the color of your skin, hair and eyes. At 24 days, your heart began beating. By 8 weeks, all your organs were present, and your unique fingerprints were forming. Ultrasounds show that by 18 weeks, you could swim, somersault, suck your thumb, and even cover your ears if you heard loud music."
from USCCB Secretariat of Pro-Life Activities

New Ministries is about to complete their grant monies. Since we are trying to know the needs our community during this time and be of assistance to them, I am seeking your assistance. **Do you know any one in need of a life line ?** We could probably fill 5 more orders...(**Do you know anyone living alone or has a family with someone sick at home and the caregiver would be assisted if the person needs to be left for a short time ?**)The summer is coming. Some people have difficult with the heat especially if they are elderly or for some reason confined to home. Our grant has **MOBILE** air conditioners for their use. We could probably order 3 more. (let us know if you can refer someone or have them call.) Your help will be greatly appreciated.

Support the **Catholic Home Missions Appeal** today. Right now over 40% of dioceses in the United States are considered mission territories because they are unable to fund essential pastoral work needed in their communities. Your support funds religious education, seminary formation, lay ministry training, and other programs that build vibrant faith communities right here in the United States.
Please be generous. More information can be found at www.usccb.org/home-missions.

Cortland-Chenango Rural Services, next door to OLP Church, is still helping the community with the Food Pantry, clothing, etc.
