A Family Perspective - The stress and anxieties of family life are like "thorns which choke off" any opportunity to reflect on God's presence in our lives. Notice in today's gospel Jesus "left the house" so He could connect with His Father. Grasp five minutes each day to appreciate God walking with you.

Study Group - Would anyone be interested if the parish would host a study group - either live or remote? This could be a nice way to keep our parish active and involved as a community during this difficult time.

It's a summer study on *The Eucharist in Scripture* and you'll get free access with purchase of a workbook. The short session of three to six weeks is the perfect length for summer—you'll still have a break before the fall. Order *The Eucharist in Scripture* today to make this summer fun and refreshing for your faith life and your friendships. Please email Linda Crowley at lcrowley@zfastest.net for more details.

Come and Visit with Jesus - Did you know that every Thursday evening for one hour, you can come and spend some time with Jesus? Eucharistic Adoration is just that; a chance to be within His presence and talk to him one on one. Come for a short amount of time or stay for all of it. Every Thursday, 7:pm, in our Whitney Pt. Church.

Repeating because this was to be put in this Sunday, secretary's apologies.

DID YOU KNOW? Modern Catholic Social Teaching, rooted in Scripture and articulated through a tradition of written documents, has evolved over time in response to the challenges of the day. It is the foundation of the mission and values of Catholic Community Services.

There are seven key themes that at the heart of our Catholic social tradition. This week we will look at the first theme.

1. Life and Dignity of the Human Person

The Catholic Church proclaims that human life is sacred and that the dignity of the human person is the foundation of a moral vision for society. This belief is the foundation of all the principles of our social teaching.

We believe:

- that every person is precious,
- that people are more important than things and
- that the measure of every institution is whether it threatens or enhances the life and dignity of the human

This week let's pray for each other: Lord, give each of us the insight to understand and the courage to live by these principle in our thinking, speaking and acting.
